

# Mekong Australia Policy Dialogue 2021

After COVID - transport infrastructure trends,  
challenges and opportunities

Tony Canavan

Global Transport Leader, Government and Public Sector

The better the question. The better the answer.  
The better the world works.

“

# 1. The decarbonisation of transport

“

## 2. Critical supply chains and resilience

“

### 3. Inclusive infrastructure

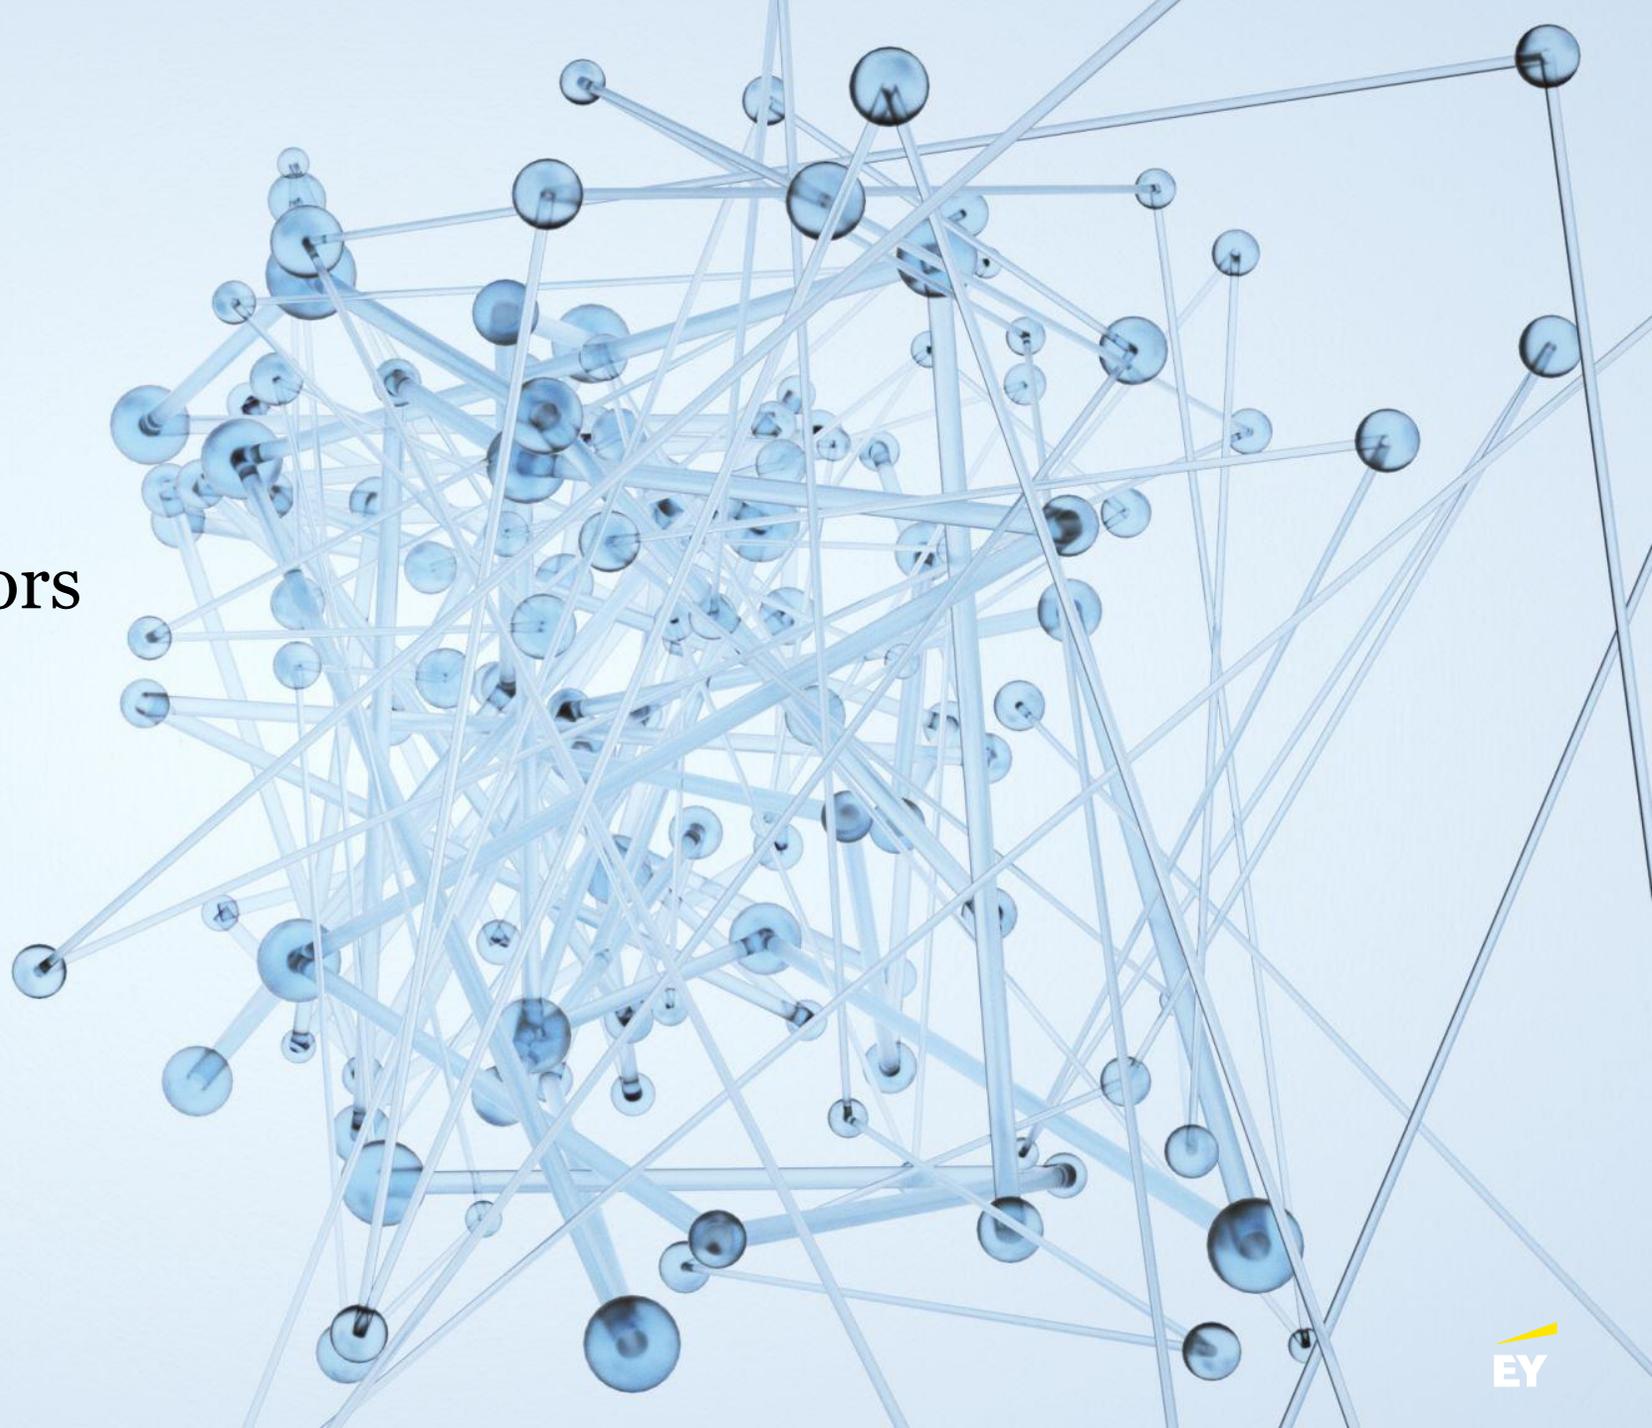

“

#### 4. Intelligent infrastructure

“

## 5. Integration across sectors

“

## 6. Reviving urban mass transit

“

## 7. Finance with a purpose

# Thank you
